## CODE SYLLABLES

FOR

### TELEGRAPHIC OR CABLE MESSAGES

In the Numerical Index on pages 8 to 12, will be seen opposite each Type Plate a Code Syllable of three letters. Any three of these syllables can be combined to form one code word making it possible to order three different type plates with a single *cable* word.

Thus the word KEBROBMUC would be translated as follows:—

KEB—Type Plate No. 23, Medium Roman, English, Universal.

ROB—Type Plate No. 32, Medium Roman, French, Universal.

MUC—Type Plate No. 68A, Italic, Spanish, Universal.
